

Burlington Planter

New for 2016, our Burlington recycled plastic square planter is the perfect product to brighten up any garden or public area. The product is ideal for schools, pubs, theme parks or zoos to give a garden area a 'modern look'. The 100% HDPE recycled plastic material is maintenance free, does not rot, corrode or splinter and the colour does not fade in the sun. The robust material makes the product ideal to be kept outdoors all year round.
