

Please see the link below, this will provide information regarding the Tables & Chairs licence. It also has the online application.

<https://www.buckscc.gov.uk/services/transport-and-roads/licences-and-permits/apply-to-put-tables-and-chairs-on-public-land/>

The contact details for applying for a licence are:

streetworkslicences@buckscc.gov.uk and 01296 383848

The documents needed alongside the application and payment are:

- Clear plan of Street Café (www.streetwise.net/planningmaps)
- Planning Permission from District Council
- Valid Public Liability Insurance - minimum £5 million
- Details and Signatures of 'Frontages with an interest' completed - Form 1
- Details of brand and types of furniture to be used.

The process can take up to 28 days depending on the volume of licences we have coming in and whether all details are supplied with the application.

There is no initial application, so they would just need to apply online providing all requested details and we would get back to them within 28 days.

Within that time, the inspector would assess the location, which is included in the licence fee.
